OUR ALLIANCE

Jerry Kram M.D. is one of the country's most experienced sleep specialists. Dr. Kram brings an inclusive philosophy to the practice of Sleep Medicine. He is actively engaged in programs to spread sleep expertise throughout the local medical and dental communities and is a featured speaker in professional and community lectures.

Robyn Woidtke MSN-Ed, RN, BSHS has thirty years of experience in sleep medicine treatment and education. She is a frequent lecturer across the country on sleep apnea. In addition she serves as consultant to several manufacturers in the sleep medicine industry.

Robert Brandes D.D.S. is a periodontist and educator. With thirty years of clinical private practice, he has lectured to audiences throughout the U.S. and abroad on dental implants, 3D imaging, laser surgery and dental sleep medicine.

Dr. Endre Selmeczy has been a trainer and dental teacher for more than 30 years. He is the founder and CEO of Practice Perfect, a dental consulting firm and works with Gundelach Associates training dental offices and dentists. He is the author of 3D Treatment Presentation System and is co-founder of Hands-On Implant Institute. He is a member of DOCS and actively involved teaching cone beam technology to dental professionals. Dr. Selmeczy has been in private practice more than 20 years in Livermore, CA.
